## EXPERIENCE

**April 20 - Present**

PDX Code Guild

- Earned a certificate in Advanced Javascript covering React, Node Js, Express & MongoDB.
- Built reusable components and front-end libraries for future use
- Worked within a team of 3 to design, build & deploy a full stack web application utilizing the MERN stack.

**August - 2019 - December - 2019**

PDX Code Guild

- Earned a certificate in a 16 week full stack web development bootcamp with emphasis on Python.
- Created a multi page web application using Python, JS, and Django that uses RESTful api architecture to track ingredients in your kitchen. Then the application generates recipes that use as many of the ingredients you have available while limiting missing ingredients.
- Created a program that uses RESTful api to find all of the upcoming concerts in Oregon. It then goes onto spotify and creates a playlist for you which consists of

**February 2014 - June 2017**

Calvary Scout

US Army - Ft. Lewis, WA

- Honorably discharged in 2017 after learning the vital skills of leadership, discipline, reliability which helped build a strong work ethic.
